

Beneficial Ownership: Branches of Non-QFC Limited Liability Partnerships

The Qatar Financial Centre Authority (“QFCA”) is committed to ensuring and enhancing transparency by adhering to the legislation on Anti-Money Laundering and Combating Financing of Terrorism. In line with this commitment and as a part of its duty in setting up different legal persons or legal arrangements in the Qatar Financial Centre (“QFC”), the QFCA also has the responsibility for gathering Basic Information regarding such legal persons or legal arrangements and identifying their ultimate beneficial owners. It is the responsibility of the legal persons or legal arrangements registered with the QFC, to maintain at its Registered Office, a Register of Basic Information, a Register of Beneficial Owners and a Register of Nominees (if applicable), in addition to any other Register required to be maintained under any QFC Regulations and Rules.

This document is intended to assist QFC Firms in understanding the main features of the Beneficial Ownership regime relating to a Branch of Non-QFC Limited Liability Partnerships (“LLPs”) (hereinafter referred to as the “Branch”) incorporated in the QFC.

General Rule 8A of the QFC Authority Rules (the “Rule”) sets out the primary obligations in respect of Ultimate Beneficial Ownership and other related matters for all QFC Firms. As such, the Branch is strongly advised to understand and familiarise itself with the provisions of the Rule as relying on this document alone may not be sufficient to ensure compliance with all the obligations under that Rule.

OBLIGATIONS UNDER THE BENEFICIAL OWNERSHIP REGIME OF THE QFCA (I.E. RULE 8A)¹

When making an application for registration in the QFC and whenever there is change in control, the Entity is required to identify and verify the identity of the Ultimate Beneficial Owners (“UBO”) of the Non-QFC LLP (as defined in the QFC’s Limited Liability Partnership Regulations). It is also required to hold registers of its UBO Information and Basic Information. Where the Non-QFC Company has Nominees, the Branch must also have a Register of Nominees.

It is important to keep these registers updated at all times as the QFCA may request access or copy of any (or all) of them. Changes to any UBO Information on UBOs and others must be reported in accordance with the relevant provisions of the QFCA Rules.

¹ It should be noted that there are many other obligations on QFC Entities that are included in various Rules and Regulations of the QFC. This is merely a note of some of the obligations in Rule 8A which captures the main regime for beneficial ownership in the QFC.

(A) BASIC INFORMATION

What is Basic Information?

Basic Information means the following information relating to the Branch:

1. Name of the Branch;
2. Name of the Non-QFC LLP;
3. Proof of registration of the Branch (example: certificate of registration);
4. Legal form and status of Branch (example: Branch) and the Non-QFC LLP (i.e., LLP);
5. Legal form and status of the Non-QFC LLP (example: LLP);
6. Address of the principal place of business of the Branch;
7. Registered office address or address of principal place of business of the Non-QFC LLP;
8. Basic regulating power of the Non-QFC LLP (example: Limited Liability Partnership Agreement of the Non-QFC LLP);
9. Name of the Principal Representative of the Branch;
10. List of the members of the Non-QFC LLP;
11. List of the members and designated members of the Non-QFC LLP; and
12. Voting rights associated with each member of the Non-QFC LLP.

When should the Basic Information be submitted with the QFCA?

The Branch needs to provide the Basic Information at the time of making an application for registration in the QFC and whenever requested by the QFCA or in accordance with the QFC Rules and Regulations. This information may change during the life of the Branch, so it is important that the Branch maintains, at its registered office, a Register of Basic Information which must be, to the best of its knowledge, adequate, accurate and up-to-date.

(B) BENEFICIAL OWNERSHIP

What is Beneficial Ownership?

Beneficial Ownership is a term that is used to determine the natural person(s) who ultimately owns or controls a certain legal person or legal arrangement. For instance, the Member of a given Non-QFC LLP may be owned or controlled by another corporate entity or vehicle which in turn may be owned by a natural person. It is this natural person who is the Ultimate Beneficial Owner (“**UBO**”) of the Non-QFC LLP.

Thus, the chain of ownership or control will need to be determined up until the natural person(s) who is the UBO of the Non-QFC LLP is identified. As such, the Beneficial Ownership regime tracks through several

layers of the Non-QFC LLP's legal/corporate and natural owners to determine the UBO. In the QFC, UBO is determined according to a set of criteria that is established under the [Rule](#).

How is the UBO of the Non-QFC LLP determined?

A UBO in respect of a Non-QFC LLP is a natural person who:

1. holds or controls, directly or indirectly, including through contractual arrangements, or by any other means, 20% or more of the capital, profits or voting rights of that partnership; or
2. has the right to exercise, or actually exercises by any means, control over the management of the partnership.

Where any of the above roles are fulfilled by a legal person (including legal arrangements), the Non-QFC LLP must identify the natural person(s) who ultimately exercise control over such legal person(s) as the Beneficial Owners. It is important that the Non-QFC LLP traces through all the legal person(s) or legal arrangements in order to determine and identify the natural person(s) that is the UBO of the Non-QFC LLP.

Please see General [Rule 8A of the QFCA Rules](#) for information on how a UBO is determined.

What is Beneficial Owner (“BO”) Information?

The Branch must provide to the QFCA the following BO Information about the UBO:

1. full name as it appears on that person's passport or other government-issued national identification document;
2. place and date of birth;
3. nationality (or, where that person has more than one nationality, each nationality);
4. identifying number, country of issue, date of issue and of expiry, as set out in that person's passport or other government-issued national identification document;
5. residential address and, if different, an address appropriate for service of notices;
6. the date that the person became and/or ceased to be a BO;
7. any percentage specified under the Rule that is held or controlled by that person and the date of any change to such percentage;
8. if control is exercised through means other than direct or indirect ownership of shares or control of voting rights in the relevant QFC Entity, a brief description of the basis on which such person exercises its control; and
9. the date on which the Register of Beneficial Owners was last updated.

(C) NOMINEES

Financial Action Task Force (FATF), the global standard setter and policymaking and an enforcement body in the field of combating money laundering, terrorism financing and other threats to the international financial system in the Interpretive Note² to its Recommendation 24, explicitly provides that "...countries that have legal persons that ...allow nominee shareholders or nominee directors, should take effective measures to ensure that they are not misused for money laundering or terrorist financing".

In the same Interpretive Note, countries are required to take measures to prevent the misuse of nominee shareholders and directors by, for example, requiring nominee shareholders and directors to disclose the identity of their nominator to the Entity and to the relevant company registry and this information to be included in the relevant register³.

In addition to the above requirements, the Rule requires Nominee of the Non-QFC LLP to disclose the identity of their Nominator to the Branch. The Branch in turn is required to update the information in its Register of Nominees and include in their filings to the QFCA.

Who is a Nominator?

Nominator means one or more individuals or legal persons that issue directions, instructions or wishes (directly or indirectly) to a Nominee to act on their behalf.

Who is a Nominee?

Nominee means a person, natural or legal that acts and exercises control or the associated voting rights on behalf of a Nominator or in accordance with the directions, instructions or wishes of a Nominator.

What are the obligations of a Nominee?

A Nominee must:

- (i) inform the Non-QFC LLP of the fact that it is a Nominee;
- (ii) where it is a legal person or legal arrangement, provide the BO Information about its UBOs;
- (iii) provide the Non-QFC LLP with information to identify the Nominator; and
- (iv) provide details of the natural persons qualifying as BOs of such legal persons on whose behalf the Nominee acts.

How should a Branch provide the Beneficial Owner and Nominee Particulars to the QFCA (including updating existing information)?

The Branch should complete and submit UBO Forms Part 1 and 2 along with the supporting documents. These Forms are available as interactive PDF files on the QFC Client portal which can be accessed by the Entity by clicking on the following link: <https://eservices.qfc.qa/Login/Login.aspx>.
